

Hero Homes
SECTOR 88, MOHALI

"In whatever we do, we try to keep our promises, and with whoever we partner, we focus on the long term. Irrespective of what we do, we follow these two rules. This is what has helped us to grow."

Dr. Brijmohan Lall Munjal Hero Forever

CHAIRMAN'S MESSAGE

"As a principle, we have three criteria in mind before engaging in a new business. First, the venture needs to be something one of us is passionate about.

Second, it needs to be in an area where we can create a positive social impact. Finally, it must be a venture that can get to a leadership position.

Housing in India is both, a serious social challenge, and a great economic opportunity. It is a social challenge because the country's population has grown exponentially, yet many citizens do not have the privilege of calling a home their own. It is a great economic opportunity because when housing projects roll out, it has great multipliers in terms of economic activity since an estimated 150 plus industries are linked to this sector and it also creates a large number of jobs at every level of skills.

This phenomenal socio-economic impact has strengthened our conviction to commit ourselves to the business of building homes and community development. The Hero Homes venture is an outcome of this commitment."

Mr. Sunil Kant Munjal Chairman, Hero Enterprise
