LIFE SHOULD NOT ONLY BE LIVED,
IT SHOULD BE CELEBRATED

PRE-CERTIFIED
PLATINUM
RATED PROJECT

Environment conservation is the need of the hour. The pre-certification from Indian Green Building Council (IGBC) stands for the project that will have 20-30% reduction in energy costs, 30-40% cut in water usage and assurance of health well being through proper ventilation and circulation of fresh air. The building is so arranged that it gives optimized sunshine to all the apartments. The certification has been issued after studying the plan, architecture, design, building material to be used for.
