

NOBLE
AURELLIA
ABODE OF HAPPINESS

A RESORT STYLE SOPHISTICATION THAT ILLUMINATES THE HOMES AND LANDSCAPE

Noble Aurelia is a collection of exclusive high-rise Residences set in a picturesque retreat environment. Consisting of four stylish blocks fronting the urban park, Noble Aurelia provides residents a stunning panorama of Central Aquatic Green landscape.

Breaking away from the conventional linear layout, four of Noble Aurelia's towers are structured with a curved design atypical to the area, angling away from the each block to maximise open space. The unique architecture creates privacy while offering breathtaking scenery.

Noble Ventures is established under the principles of a strong foundation, strong thinking, and strong determination. Strength and valour are the two characteristics that are deeply embedded into our vision and mission. These two characteristics are at the very core of our beliefs and inspirations, motivating us at every step to surpass the ordinary.

Noble Ventures is promoted by highly experienced individuals who have been responsible for the planning, development, execution, and on-time delivery of a diverse range of vital projects ranging from civil, commercial, industrial, infra-structural, luxury residential and various other multidisciplinary developments for the past 50 years. We are consistently recognised and rewarded for our contribution and timely implementation of projects from all over the country.

The dynamic and enterprising directors have led various projects for international names like IOCL, NHIA, BPCL, ONGC, Highways, Power Plants, Larsen & Toubro, Maire Tecnimont from Italy, Oiltanking from Germany, Toyo from Japan, Samsung from Korea, and Naftogaz from Ukraine.
